

Buy a BRICK! Railroad Depot Rebuild!

In 1981 the old Railroad Depot was removed. I was serving overseas at the time in the USAF and when I returned home it was gone. I assumed that it had been bulldozed down. I recently found out that it was taken apart board-by-board and saved. We now have the chance to place it on City of Brevard property on Railroad Avenue along the route of the newest extension of the Estatoe Trail. What a great place to have this historic building that could house public restrooms and much more! But your help is needed. This is an unfunded project that I would like to see happen in the spring of 2018 to honor Brevard's 150th anniversary. **Due to your individual tax situation, donations may or may not be tax deductible, for a donation of \$100 or more we will install an engraved brick leading up to the depot in your honor.**

Mayor Jimmy Harris

Yes, we'd like to reserve a permanent brick. Please engrave our brick as follows:
