

BREVARD AREA TRAIL SYSTEM

COMMENT:

Anything that connects people and brings them out + about is encouraging

COMMENT:

We need these bicycle plans to become reality. Builds community, increases health & mental health, & Brevard's businesses will benefit.

COMMENT:

Yes! A dedicated go-to group to help pull all of it together + mobilize volunteers + resources. Build it, they will come + we can all help maintain it

COMMENT:

I love the trails system. it is one of the reasons I moved to Brevard! Keep building it!

COMMENT:

Bike/Ped trails are a huge asset. The Davidson River Ped Bridge is long overdue!

~~Build it~~
BUILD IT THEY WILL COME.
