

TANNERY PARK

COMMENT:

Please move these initiatives to completion!
This neighborhood & our county need this park.
It's been talked about so long. Physical activity &

COMMENT:

sport & skill building are wonderful
for youth & are a deterrent to drugs &
other activities. Tannery Park as designed will
contribute value to city & its beauty.

COMMENT:

For the greenway surface PLEASE do not pave
instead use a more permeable surface that
will reduce runoff & allow wheelchairs/strollers,

COMMENT:

So excited about developing this
project!

COMMENT:

Yes! Would love to see some signage/exhibits/relics
preserved from the industrial past of the site incorporated.

COMMENT:

Good idea!

TANNERY PARK

COMMENT:

As a mother of 3 kids I am super excited to have a skate park for them.

COMMENT:

Tennis Courts here - yes!
Dogging trail - yes!
Pollution contained Yes!

COMMENT:

Listening to lots of people who live near the park... please keep it as natural as possible. Respect wetlands + keep it safe. Super excited for its connection to bike path + inspiring simple activities for neighbors.

COMMENT:

Great project!

COMMENT:

This is 100% needed in Brevard, especially at this location!! Skate Park + Pump Track areas will be an amazing magnet for people to build community and enhance their quality of life. It will propel Brevard further forward as an MTB destination on the East! = ↑ tourism #

COMMENT:

The Tannery park & skate park are wonderful/ progressive ideas. Keep it up!

TANNERY PARK

COMMENT:

I believe the 'train depot' has more value in Tannery Park to create more of a hub w/ skate park and larger fitness park complex than along railroad district. \$500m investment would go along way and probably cost less if not designed as a 'reconstruction' of historic train depot.

COMMENT:

Wahao! very very excited about this + the impact it can have in the community especially bringing people together across economic and racial lines.
