Funding is based on the availability of funds. Only as many funding cycles will be completed as necessary to use the available funds.

##### **II. Approval Process**

- The applicant fails to provide required information.
- The application is received after the deadline.

Based on initial staff review, compliance with procedures outlined in the Housing Trust Fund Program Guidebook, and availability of funds, the Housing Committee will forward a recommendation of funding allocations to City Council for approval. In some instances, an option of the requested grant or loan amount may be offered to the applicant.

In certain instances where an emergency housing repair is needed immediately to protect the health and safety of a resident or the general public or ensure the structural integrity of the dwelling unit, the City Manager may approve a grant or loan for repairs after staff has determined eligibility, not to exceed \$5,000 or 5% of the existing fund amount, whichever is lower. Local funds shall be the only eligible funding source.

The City of Brevard Housing Trust Fund may be amended at any time through a majority vote of City Council. Council may not amend the Housing Trust Fund in a manner that would cause CDBG loan repayments to be expended for ineligible activities under CDBG program guidelines and requirements.

The Housing Committee is authorized and directed to establish such forms, procedures, guidelines and requirements as are necessary for the administration of this Housing Trust Fund. The Housing Committee, with assistance from City staff, will recommend policy changes to the City Council each year on an as-needed basis.
